

Partnership Statement

Date: January 20, 2017

Between Oskar Frech GmbH + Co. KG
Schorndorfer Str. 32
73614 Schorndorf-Weiler, Germany

and TORUN BASINCLI DÖKÜM SANAYI VE
TICARET ANONİM ŞİKRETI
Esentepe Mah. Milangaz Cad. Dumankaya Vizyon,
No: 77-A1 Blok Kat: 12 / 66 Kartal / Istanbul, Turkey

Member of the Torun Bakir Alaşimlari Metal Sanayi ve
Ticaret A.Ş, GOSB ihsan Dede Cas. No. 116, 41480
Gebze/Kocaeli, Turkey

TORUN BASINCLI DÖKÜM SANAYI VE TICARET ANONİM ŞİKRETI will start a new business with AI-high pressure die casting and therefore intends to buy 10 sets of cold chamber die casting machines in the range of 6.000 KN and 14.000 KN die clamping force from Oskar Frech GmbH + Co. KG with state of the art technology. The first DCM's (K640-1/K830-1) will be delivered and ready for production in 2017.

For the business development of TORUN BASINCLI DÖKÜM SANAYI VE TICARET ANONİM ŞİKRETI Oskar Frech GmbH + Co. KG will offer consultancy support and its process competence from the FRECH Group Members if requested. This may include selection of DCM size, definition of necessary options and peripherals for relevant applications or consultancy in production-/ process aspects for upcoming new projects and enquiries. In this connection, the global sales network and Tec-Centers in the FRECH Group and/or external partners can give support within given confidentialitys according to the applicable commercial conditions of these partners and their related services.

If the FRECH sales network gets information about requested production capacity (extended workbench) from their customers, this information or a contact for direct approach can be communicated to Torun BASINCLI DÖKUM SANAYI VE Sales Department, such as executed with Co. Trimet, Kalmbach, AE-Group, during reference visits.

Schorndorf, January 20, 2017
Oskar Frech GmbH + Co. KG

ppa. Jürgen Lamparter
